

We continued in our summer series in John's Gospel this Sunday, focusing in on 16v1-15.

Our 2 points were **adversity** and **advocate**.

Here are some questions to get the ball rolling in your group

Adversity

- How will God's people face adversity, why will they?
- Why do you think Jesus is warning them?

Advocate

- What will God do to help them?
- How will God's Spirit be at work in
 - 1. The world...? v8-11 (nb 15v26-27 as to how the Spirit primarily works in this)
 - 2. The church...? v12-15 (and especially the Apostles)
- Why ought these verses be an encouragement to us?
