### **Hebrews 1-2**

- What do you think are some of the biggest struggles Christians face today? Why do you think these struggles lead to discouragement and disillusionment?
- Read Hebrews 1:1-4. What encouragement do you take from the fact that God is a speaking God? What does that tell us about him? Perhaps think of a time when you felt God speak to you through his word – what was the result?
- Look at the descriptions of Jesus in vv.2-3. What do they tell us about him? Why do you think the writer wants his discouraged readers to think about these characteristics of Jesus?
- Read Hebrews 2:10-18. What stands out for you or surprises you about these descriptions of Jesus' humanity? What encouragement is there here for struggling believers?
- Do you more naturally think of Jesus as 'fully God' or 'fully human'? What do we lose if we emphasise one over the other?
- Prayer/response: Ask everyone in the group to share one thing about Jesus from this passage that they want to remember in the coming week. As a group, give thanks to God for sending Jesus.
