### **Hebrews 12:14-13:25**

- For starters: Reflect over this series in the book of Hebrews. What have you learnt about the Christian life? What have you learnt about Jesus? Has anything stood out for you so far?
- 12:14-17: Why did Esau sell his inheritance rights? (Look at Genesis 25:27-34 for the original story.) How might the original readers of Hebrews be tempted to do the same? How might we?
- 12:18-24: How is a Christian's experience of God at Mt Zion different from an Israelite's experience at Mt Sinai? How can the descriptions of Mt Zion encourage us to persevere as Christians?
- 13:1-6: What aspect of the teaching in these verses do you find the most challenging? How do they link in with the teaching of the previous chapters?
- 13:7-19: What do we learn in these verses about:
  - How we should relate to one another as a church?
  - Jesus, what he has done for us and what it means for us to follow him?
- 13:20-21: How is this blessing a suitable ending to a letter to discouraged Christians? Use these verses to guide your prayers for one another.
