

Titus 3

How to do good in the world.

Transformed lives

v1-2. Transformed living.

v3-8. Transformed thinking.

v9-11. Transformed speaking.

v12-15. Transformed commitments.

What do you remember from chapters 1 & 2 of Titus?

v1-2.

What relationships has the gospel of grace transformed?

What aspects do we find hard?

v3-8.

How does Paul describe...

- what we were like?
- what God has done & why?
- what the future holds?

Outline the work of God (as Trinity) in these verses?

How is God's character described?

Stop & give thanks for these truths?

v9-11.

What is Paul trying to protect Titus from here?

What would you say to someone who says any kind of theological discussion is unhelpful?

v12-15.

What do we learn about the bigger picture in these verses?

What evidence of transformed commitments are there?
